

Lest We Forget.

BRAD REDEKOPP

MP | SASKATOON WEST

NOV. 2023

Dear Friends,

November 11th—Remembrance Day—is the day we come together as Canadians to remember and honour the sacrifices of those Canadians who have served, bled and died for us.

This fall, I had the honour of laying a wreath as your Member of Parliament at the Tomb of the Unknown Soldier in Ottawa, at our National War Memorial. The National War Memorial symbolizes the sacrifices of Canadian military personnel—those who fought for peace and freedom, and those gave the ultimate sacrifice to keep us safe.

As Canadians, we remember the courage and dedication of the men and women in our Armed Forces who fought so bravely to make it possible for us to live with the freedom and democracy we enjoy. In the midst of our daily lives, it is easy to forget the tremendous price paid by generations before us. The poppies we wear in November remind us of the fields of Flanders, and of the sacrifices made on foreign shores. It symbolizes not just loss, but also hope. Hope that we can learn from the past and that we can build a greater future.

We owe it to those who fought and to those who currently serve, to create a world where peace is not just a dream but a reality. It is our responsibility to nurture the ideals that our veterans fought for—to nurture freedom and democracy, and not let their sacrifices be in vain.

As you read this, please pause to remember and appreciate our veterans and armed forces, and never take their sacrifice for granted.

Lest we forget.

Return to Parliament

Just as September marks the new school year, it also marks the autumn Parliamentary sitting and a return to Ottawa for me as your MP. What had promised to be debates focused on cost-of-living and making life more affordable, was quickly overshadowed by domestic and foreign events.

Still, as these events unfold, your representatives in Ottawa—including me—must remember that you are still suffering under the burden of high taxes, out-of-control government spending and rampant inflation. The price of bread is up 8.1%. Milk is up 6.2%. Apples are up 7.8%. Staple snacks like cookies and crackers are 12.4% more expensive than last year.

As a result, parents are working harder than ever to afford the bare minimum. Some are going into debt to afford back-to-school basics, while others are turning to food banks and charities. All the while, Trudeau continues to add insult to injury with never-ending tax hikes.

Canadians can count on Conservatives and our leader, Pierre Poilievre, to put an end to Trudeau's tax-and-spend policies that are making life more expensive.

Conservatives will restore common sense in Ottawa and bring home lower prices, so that parents and students alike can have the school year they deserve.

Let's bring it home.
